Attn James Cox
103 Holly Road
Williamsburg, VA 23185

Dear James –

I just wanted to shoot you a quick note to let you know how happy we are with our new Barnette Basketball Sport Court! Everything looks great and the installation appears solid! Before and after pics truly show the transformation of this unused space into one we hope VES students will enjoy! I'll be sure to send you an updated photo when the landscaping, mulch, new fencing, and grass are in.

Thank you for working within our time frame and for being so willing to coordinate the installation and its various pieces and parts with SSC, our facilities management company, and JB Moore, a 3rd party electrical company.

We're looking forward to the return of our students on Monday and to seeing the expressions on their faces when they see their newest play area!

Thanks again,
