

PUTTING GREENS

CHAMPIONS START HERE™

Convenience

Don't trek to the club to practice, with a golf system from Sport Court® bring the club to your house.

Customization

From the cushioned feel underfoot to the fastest stimp reading, putting greens and chipping rough from Sport Court are tailored to meet any feel or speed.

Look and feel

Get the look and feel of a golf course without leaving your backyard. Recreate your favorite hole or design your putting green to practice and improve specific areas of your game.

Low maintenance

Trade the lawn mower for the putter. Limited maintenance is needed for year round practice on a perfectly trimmed and green putting area.

Durability

Turf from Sport Court® can withstand any climate and maintain its color and performance for many years of enjoyment.
