Length: 6 Weeks

Childcare is NOT provided

Raise children who are self-confident, motivated, and ready for the real world with this win-win approach to parenting.

Love & Logic Parenting classes provide simple and practical techniques to help parents:

- easily and immediately change their children's behavior
- enhance good decision making skills
- establish healthy control
- create respect
- raise responsible kids
- enjoy and have more fun with their children.

Love & Logic is a common sense approach that provides parents easy-to-learn skills for successful family management.

Your child will win because they'll learn to solve their own problems while gaining the confidence they need to meet life's challenges. And you'll win because you'll establish healthy control—without resorting to anger, threats, nagging, or exhausting power struggles. Parenting with Love & Logic puts the fun back into parenting.
